November, 1970 - Issue #1

What, a club bulletin?! No, not really. I prepare a contest calendar for myself each month, after scanning through a number of magazines and bulletins. It was decided, at the last meeting, to provide each member with such a calendar as long as it is financially feasible and of interest to the membership of the NCCC. Reproduction is being taken care of by Rick, K6VVA, at no cost to the club. your comments would be appreciated.

The title for this issue seemed to be in the spirit (pun intended) of last Friday's meeting. Any suggestions for a better title?

The next meeting is to be held on Friday, December 4, 1970, at a location yet to be selected.

The list given here is deliberately brief. References are given to sources of additional information for those who might be interested in submitting a score to the sponsoring organization.

73, Jim, W6CUF.
