FROM THE PREZ

What, no July meeting? That's right. Save up your energy for the gala picnic at WA6VEF's in August, as noted elsewhere in this prestigious publication. (After last month's barbs, it seemed appropriate to recognize the efforts and skills of our erudite, sometimes escharotic, editor.) [Looks like Bob borrowed Rachel's Thesaurus again -- Ed.]

Keep watching your mailbox for a membership renewal, roster update form, and the fabled questionnaire. Please return them as soon as possible in the pre-paid envelope.

As I stated at the last meeting, the NCCC will submit a club entry for any contest which has a club category, even if we have only one member who has submitted a score. The only requirement is that you get a copy of your summary sheet to the VP/CC in a timely fashion.

The Board has been working hard to set up the meeting schedule for the remainder of its term. Some new things will be tried, and some old ones will be retained. Please favor us with your comments and criticisms. The meetings of the Board are open to one and all, and the dates and locations will be published as far in advance as possible. I would only ask that if you plan to attend a Board meeting, you let one of the Board members know so that we'll be sure to have enough room for all who show up.

The JUG is our largest single expense, and is published for the benefit of all of our members. If you have an article you want published, send it to our efflorescent editor. [See above -- Ed.] I think a "Letters to the Editor" column might appear if Kip received some correspondence. The JUG deadline is the same date as the Board meeting.

See you at the picnic . . .

73, Bob, W6RGG

Many thanks to all of you who sent in your summary sheets for WPX. The results I have to date are as follows:

K4TKM/6	45	75	44	3,300
			TOTAL	4,418,335

Our showing for SSB is terrific, thanks to a phenomenal showing by Rich at PJ2FR, with Ken (K6HNZ) and Al (WR6R) putting us over the 20 Meg mark.

For the CW weekend, we're closing in on the 5 million mark, with Gary leading the pack at KI6P. Kudos to Duane, W6REC, for his fine QRP effort, running only 5 watts. I'm still missing some summaries for the CW portion, and I am sure they'll be enough to put us over the 5 Meg mark. Anyone who hasn't yet submitted their WPX summary, please do so.

Congratulations to everyone for a great WPX effort!

At this writing, the IARUHF Championship for '87 is now history. I heard many NCCC'ers in there, and most were having a very good time at it.

Back in February, Chuck, W7MAP, provided us with a contest calendar through the end of 1987. The August version is reproduced in this issue of the JUG. In case you missed it, the contest lineup is as follows:

YO DX	August 1-2
ARRL UHF	August 1-2
YL/OM Sprint	August 1
EURO DX CW	August 8-9
SEANET Phone	August 15-16
All Asian CW	August 22-23

Have fun on the bands, and, as always, please submit your summaries to me as soon as possible.

CU next month . . .

Bob, K4UVT

2. W6RGG, on behalf of W6KG and W6QL, invited all members to attend the July 4th party.
3. WA6VEF reminded everyone that the August picnic will take place at his QTH on August 29th. Pool is available, and some may want to bring their bathing suits . . . More news to come from Gary.
4. Discussion was held concerning the sponsoring of an award in memory of Ron Chiappari, N6AUV. A reply from CQ was received in response to a letter sent on the subject. Review and decision will take place at the next Board meeting.
5. CQP was discussed at length by WA6VEF. Ideas, plans and strategies will be prepared by Gary and published in the next JUG.

8. AA6T suggested that we operate more often in the Novice and Technicians sub-bands for the purpose of involving this new active group in contesting.
9. The reading of the membership application submitted by N6BIS was made. It was unanimously accepted. Welcome aboard, Patty!
10. W6REC moved to adjourn the meeting. K6ZM seconded. The motion passed unanimously. The meeting was adjourned by W6RGG.
